REAL LIVE GHOST STORIES

With Columbia Gorge Paranormal

Saturday October 29, 2011

including an after-hours, hands-on paranormal tour at the Lyle Hotel

Please join us for an eerie evening of Totally True Paranormal Stories from the Columbia Gorge. *Columbia Gorge Paranormal* are resident experts on this subject. They are a science-based research group whose mission is to assist people who have questions about possible paranormal events happening in their lives, and to help them find answers. They use ultra high-tech equipment and true scientific techniques to investigate reports of the paranormal.
